- About this item**
- Ring light with stand: Our light ring has brightness and color temperature adjustment functions, and 416 SMD LEDs emit excellent light. Brightness from 0% to 100%; color temperature adjustable from 3000K-6000K to meet your various needs. It has a highly responsive touchpad to control the lights. More convenient and longer life than traditional mechanical buttons.
  - Wireless remote control and Selfie remote control: You can directly use the wireless Selfie Bluetooth controller to take pictures. Wireless remote control provides convenient brightness and color temperature settings, channel/group selection, and reliable, accurate real-time control of dimming parameters.
  - Foldable and Sturdy Tripod: The light ring tripod is made of aluminum alloy and is sturdy and durable. Comes with a foldable floor stand, very portable, when folded - 15.4 inches long, fully extended - 56 inches, and finally connected with the light ring - about 71 inches, enough to meet your different needs. Its compact design ensures easy portability.
  - WITH USB PORT & VERSATILITY: It is compatible with devices that support USB ports and also comes with a USB charging port (5V 2A) to charge your smartphone while live streaming. It's perfect for makeup, photography, live streaming, vlogging and selfies and can even be used as a fill light, floor lamp or zoom light.
  - Package includes: 1" ring light body, 1" adapter, 1" carrying bag, 1" instruction manual, 1" hose clamp, 1" remote control, 1" Bluetooth remote control Note: Do not place the photography light in a place with high temperature or high humidity. Do not immerse product in water or expose to rain.

Customers say

Customers like the brightness, size, and remote control of the camera continuous light. They mention it's adjustable brightness and color temperature, perfect for small studios, and comes with wireless remotes for both the lamp and common phone cams. Some appreciate the durability and ease of setup.

Top reviews from the United States

I like the way will be my teeth

★★★★★ I really like the light

Reviewed in the United States on October 17, 2024

Verified Purchase

The Hagibis 21 inch Ring Light is a fantastic option for streaming, home office, or Zoom calls. It features a dimmable LED light with a color temperature of 5600K and a high CRI of 97+, ensuring vibrant and accurate colors. The ring light comes with a sturdy tripod stand, phone holder, remote controller, and carrying bag, making it easy to set up and transport <sup>1</sup>.

Some of its key features include:

- "Adjustable Brightness": 10%-100% brightness adjustable to meet your specific lighting needs
- "Color Temperature": 5600K color temperature, suitable for various applications
- "High CRI": 97+ CRI for accurate and vibrant color representation
- "Tripod Stand": Sturdy and adjustable, with a height range of 31.5 inches to 72.8 inches
- "Remote Controller": Conveniently control the light from up to 2.5 meters away

- "Phone Holder": Compatible with various phone sizes

★★★★★ **Bright Lights, Big Smiles: A Shining Star in My Setup!**

Reviewed in the United States on July 12, 2024

Verified Purchase

The Hagibis 21 inch Ring Light with Stand is the best thing to happen to my photo and video shoots since... well, ever! This 55W 5600k dimmable LED light is like having my own personal sun, but without the risk of sunburn.

Setting it up is a breeze. The tripod stand is so sturdy that I'm pretty sure it could withstand a hurricane. It's adjustable too, meaning I can light up my world from any height or angle. The 21-inch ring size is perfect—not too big to be cumbersome, but big enough to make me look fabulous in every shot.

The dimmable feature is a lifesaver. Need a little mood lighting? No problem. Want to feel like a superstar under the spotlight? You got it! Plus, the easy-to-use controls and secure phone holder make this light a dream to work with.

In short, the Hagibis Ring Light is a superstar. It's bright, versatile, and makes everything look amazing. If you're looking to add some sparkle to your content, this is the way to go!

Laura Shaw

★☆☆☆☆ **Quality**

Reviewed in the United States on September 6, 2024

Verified Purchase

By far the easiest to set up. Excellent quality and amazing lighting. Update: a day later the power cord stopped working. Now I have to ship it back and wait 3-5weeks for a refund. I wouldn't recommend purchasing this light.

Munson Family

★★★★☆ **Stand is flimsy**

Reviewed in the United States on October 21, 2024

Verified Purchase

I'd recommend getting a more sturdy tripod for this light. It's heavy and the one it came with isn't great.

Kevin B.

★★★★★ **Bigger and nicer than I was expecting!**

Reviewed in the United States on April 4, 2024

Verified Purchase

I'm using this as backlighting at the moment but it's really for my webcam to greatly improve the Zoom meetings quality. It works flawlessly with the remote. I really like how easy the remote is to adjust the setting on the fly. Making small adjustments to color and light strength using the remote is next level quality. The mount is a standard twist on mount for any camera or can use the included cell phone gripper. The only thing that I don't like is the separate(2nd) camera remote that you have to download software to use so I might skip on using that but I can see how you might need it to press play on your phone. It also comes with a large quality fabric case that could be useful if you travel a lot but since I don't plan on traveling with it, it is kind of a waste. Overall I'm very happy with this purchase and give 5 stars!
